BRIEF ABSTRACT OF LETTER.

States that there is no necessity for posting Special reserve Police men to guard the Sringeri Mutt; but that Govt. consider it desirable to continue the Police Guard re, he would recommend that the guard should be furnished from Dt. Reserve.

NOTES AND ORDERS.

1 Subo for orders. G. P. No. 7022-3/J620 Dt 7-11-02 directs that the Barr and the Reserve Police Force be continued to guard the Mutt. It appears from the Agent's letter to the I. G. of Police that the Special Reserve Force was withdrawn to be posted

2 The Srirangapatna Malt is given 1) a Barr guard to guard the treasury, and 2) a Police guard of one constable from the Special Reserve Force of Shimoga Dt., to guard the Sri Saradamba temple.

3 Since the abolition of Shimoga as a station for the Special Reserve, the contingent required for the malt has to be sent from Bangalore, which involves considerable expense. The Insp.G's proposal to furnish the guard from the Shimoga District Reserve, the men being changed once every three months, may therefore be approved.

4 It seems incumbent to withdraw from the malt the privilege of a police guard, which it has all along enjoyed.

Hence the Contingent details from the latter will also be entitled to draw allce at Rs 4 for a Lance Naik and Rs 3 for a constable, unless Govt think fit to decree the rate. In the absence of definite instructions on the point, the draft now put up makes no allowance to it.

General and Revenue Departments.

Sir,

With reference to the following letter from the Agent, Sringere Matt, (copy attached for reference) I beg to point out, that as the Barr Guard are being continued at Sringeri to guard the Matt, I see no necessity whatever to post Special Reserve men there as well. I have arranged for 6 men of the District Reserve to be sent there regularly, and to be changed every three months. The expense of sending men to and fro from Bangalore to this out of the way place is a matter of importance - apart from the fact that the morale and health of the men suffer considerably when they are posted in a place where it is impossible to properly supervise them - When the Special Reserve were located at Shimoga, the posting of men from this Force to Sringere was not attended with the inconvenience and expense, that a like arrangement would involve now that the Special Reserve are stationed in Bangalore.

Personally I do not consider that any Police guard is in any way necessary, but if Government desire to continue one from motives of sentiment, I then would recommend that the guard should be furnished from the District Reserve, which can

furnish

furnish the requisite number, and can conveniently, and at slight expense change the men every three months. I would deprecate the men being kept there for longer periods, as there is no work for them to do, and they get absolutely out of hand and lazy, and forget even the little they have already learnt at Head Quarter of drill and Police duties.

I have the honor to be,

Sir,

Your most obedient servant,

J Clarke.

Police Force has been sent, and are at work at present.

I request you to be so good as to inform me the follo-ing particulars:-

1. If the regular Police Force will be posted on duty in the Matt in future also or if the Reserve Police Force will be continued as heretofore, and when the next detachment may be expected.

2. In the event of the Regular Police Force being continued hereafter, if any orders have been passed by Government, cancelling their order under reference.
